Anuual Impact Report 2023

A MESSAGE FROM OUR FOUNDER

When I founded Control Alt Delete on 9/2/2019 I knew there was a need, I did not realize how great that need would be. With community support we have fulfilled 100% of the escape requests that fall within our mission.

A YEAR WITH UNIQUE CHALLENGES

In 2023 Control Alt Delete supported requests for assistance from 104 different referring agencies.

6 months in 2023 had escapes over 1,000 each month with December having a record 1,518 escapes facilitated.

Thank you
to all our donors and volunteers.

Together we are creating a Society of Survivors while bridging the gap in services. By providing one time assistance we remove the barriers that keep Survivors in domestic violence situations; allowing those Survivors the ability to reach their safety.

This would not be possible without your life saving support.
